

Scheme for Students

We as tomorrow makers have launched many schemes and initiative to get the candidates best shot at quality education. We are also taking the first steps necessary to unlock the full potential of students and welcoming environment to learn and grow. We are providing a space where they can look forward to dream and imagine, the great things they will accomplish tomorrow. In tune with this spirit we are providing professional education and training under state government assisted schemes vis-à-vis the self initiative of the institution.

- Free arrangement of Fooding, Lodging and Conveyance for all selected students as per norms of the Institute.
- The Organisation reserves the right to amend and / or revise the scheme at its sole discretion.

Be Professional; Be Self Reliant ...

- To encourage the youth of Bihar State to join professional courses, our special scheme 'Be Professional, Be Self Reliant' has been initiated.
- Free Laptop to all students after registration.
- Following the Guidelines of the State Government 50% seats are reserved for female candidates. Seats are also reserved for all candidates of SC/ST/OBC.
- Special classes for Personality Development & Spoken English Training of Yoga & Meditation will be provided to all the students.

We Care For You...
We care for you! Literally.

FACULTY

We firmly believe that responsibilities and roles of faculty members are closely linked to the central functions of education in an institute. In this pretext outstanding faculty members of the institute work primarily with three areas of responsibilities i.e. Training, Research and Service. As a faculty members they disseminate and impart basic or applied knowledge to students and assist students with the learning process and applying the knowledge.

COLLEGE LIBRARY

The very idea of our centers having high resource library signals nothing else but reading and pursuit of knowledge. It is enriched with notable inputs, books, journals, magazines forming a habit and tradition of reading among students. As a disciplined area to study, our separate digital library has a separate section of e-books & journals with accurate system to access text, images and audio-visual resources to facilitate teaching, learning and research.

LABORATORY

Our institute has state of the art and most advanced air conditioned Computer Labs for candidates of Computer Application, Mass communication, serving as the center for computing and communication needs under the guidance of caring and specialist faculty for specialized computer literacy education. The entire campus is Wi-Fi enabled which improves the engagement and knowledge retention of students and encourages an uninterrupted collaboration between students and teachers.

Learn As
Well As Earn

Ambedkar Group of Institutions, Patna has been carrying out the mission of **Job Oriented Education for Employability** for more than two decades. Our Honourable P.M. Sri Narendra Modi has said, "Through inclusive education, our vision is to empower our youth and make them future-ready." Ambedkar Group of Institutions has been justifying his vision by giving standard and qualitative teaching in the field of Nursing, Para medicals, Pharmacy, Industrial Training, Computer Science, Mass Communication, Management and Commerce.

Bachelor of Business Administration (BBA)

About

Carrying out the legacy of more than Two decades we aspire to be the best, premier and reputed BBA college in Patna. Considering BBA as degree of the future and pillar of management, it also enhances business and managerial skill that is one of the most important requirements for a business management graduate. That's why it is counted among the most popular choices of undergraduate professional courses in India.

Scope

BBA is a popular professional degree for students who want to pursue managerial career after 12th examination. We have designed the course such that the students conveniently develop strong base in management studies and perform outstandingly in comparison to non-management students. To be precise our BBA course as a specialized discipline directly aims at equipping the aspirants for a viable employment for a glittering career and esteemed goals of life.

Bachelor Of Mass Communication (BMC)

up to 50%

Scholarship after registering

Advantages of Professional Courses - BBA, BCA, BMC & B.com (P)

When it comes to planning your higher studies, the first question that comes to mind is which course would be the best bet for you. In the present scenario, a professional degree is a faster way to approach one's career. Professional courses like BBA, BCA, BMC and B.Com (P) have been introduced for direct entry with jobs without waiting for a higher degree. If you wish to get employed quickly, right after completing your formal education in a classroom, you will have to join any of these courses to make yourself job-ready. In any organization you are working, a professional course will maximize your salary potential. Since jobs in private sectors are increasing in recent times, chances for the students of professional courses to gain employment have also increased. You will be more creative at your workplace. It will also have better career opportunities.

If you find your self outstanding in presentations, have great convincing power, and know business tactics, you are perfect for BBA. This course is designed in a way to polish your skills and make you ready for industries like Corporate and bank sectors, MNCs, financial institutions etc. You can also enhance your managerial skills by doing specialization in fields like International Business, Finance, Entrepreneurship, Human Resource Management, Event Management etc.

The BCA degree is also gaining popularity because of the growth in the IT Industry. If you are more inclined towards technical sections like Algorithms, Coding etc. you should go for BCA. This course comprises the study of different computer languages like C, C++, Java etc. There are many avenues open for a BCA graduate like Computer Graphics, Database Management, System Analysis, Financial Accounting etc.

With a Bachelor in Mass Communication a student can pursue employment in related areas like Marketing, Journalism, Entertainment, Healthcare, Advertising etc. So if you are a creative person who keeps learning and adapts fast to the changing environment and if you have excellent speaking skills, Mass Communication is a perfectly suitable career for you.

B.Com (Professional) is a bachelor degree course in Commerce. It creates professionals who can deal with economic and financial matters. After completing B.Com (P), a student can easily get to become a Financial Analyst, Sales Team Leader, Tax Advisor, Investment Planner and Account Officer.

Ambedkar Group of Institution At a Glance

Ambedkar Group of Institutions has been contributing to the upliftment of society constantly for almost twenty years in Bihar through various initiatives like running job oriented professional courses, skill training programmes, providing Scholarship to poor meritorious students etc. Our two units Ambedkar Institute of Higher Education and AIHE Professional Institute are running at Chhitnawa, Danapur and R.K. Puram Danapur respectively. Our other unit Mamta Institute of Education is running at Daraundha, Siwan. These institutes are affiliated to Aryabhata Knowledge University, Patna. Our institutes have an excellent team of highly qualified and experienced technicians and academicians to impart result oriented quality education to the students. Most of our faculty members are Ph. D holders in their respective fields of education. Ambedkar Group of Institutions has a permanent guidance and placement cell which gives career counseling to the students and also provides the best placement to the students across the nation. Our institutes have collaboration with many leading corporate houses, financial firms and multi specialty hospitals to provide internship and employment to our students. The main branch Ambedkar Institute of Higher Education is situated far away from the hustle & bustle of Patna city, at Chhitnawa, Danapur. The transport and hostel facilities are available for the students. There are spacious and well-ventilated classrooms, a rich library with books, journals and magazines apart from a separate digital library and air conditioned computer labs for the students of computer, management and Mass Communication. The entire campus is Wi-Fi enabled to facilitate free access of information to the students. We are providing Bihar Student Credit Card scheme to support the poor and meritorious students. The Institute has taken initiative to provide scholarships to the financially weak and studious students after registration.

Why Choose Us?

- Above 95% Avg. Placement Report. Though we have shown a consistent record of 100% placement in Nursing & Pharmacy for the last two decades.
- Language Lab and Comprehensive Training for Interview and Group Discussion.
- Attractive scholarships for economically weak yet meritorious students to bring them into the mainstream of the society.
- Fully Case based learning
- Quality education meets world class infrastructure here.
- Merit-based scholarship at the time of admission.
- Regular Workshops and Seminars to enable the participants to integrate the skills and techniques of computer, marketing and mass media & communication with social actions, business, healthcare etc. for the holistic development of the society.

Mission :

Ambedkar Group of Institutions will set a global standard for high quality IT, Management and Media Education with emphasis on academic excellence, innovative research development programmes for building a knowledge driven information society. We strive to instill responsibility and accountability in our students towards educational community, parents, business and society.
